REPORT NO.

1. Recently, the following types of technical schools have been opened in Yugoslavia:

Communications Schools under the Yugoslav Ministry of Communications  
Transportation Communications  
Air Communications  
Industrial Schools  
Industrial Management and Finance

2. The purpose of these schools is to train personnel in the respective fields and to serve as a guide in the promotion of technicians. However, opposition by industrial officials, who are themselves without technical training, has seriously delayed the program.
